Dear Mrs Austin,

**WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT REGULATIONS 2006**

**DECISION ON APPLICATION FOR APPROVAL AS AN APPROVED AUTHORISED TREATMENT FACILITY (AATF).**

We have considered your application and grant approval to **Environmental Mobile Control Ltd** to operate an AATF at the following site:

Site Name and Address	Approval Number
3 Glensyl Way Hawkins Lane Industrial Estate Burton-on-Trent Staffordshire DE14 1LX	<b>WEE/KE0004ZS/ATF</b>

This approval requires that you comply with the conditions of approval for each site listed (a copy of the conditions is attached). Your approval will allow you to issue evidence notes for Waste Electrical and Electronic Equipment (WEEE) which is received at this site and which is subsequently re-used, treated, recovered and/or recycled.

You can only issue Evidence notes in the following circumstances:

- Where the WEEE is received by you and is subsequently re-used as a whole appliance (frequently regarded as refurbishment)
- Where the WEEE is treated by you or another ATF and subsequently recovered or recycled by a UK recovery/recycling site(s)
- Where the WEEE is treated by you or another ATF and the resulting WEEE materials are exported by an Approved Exporter

This approval does not replace any other environmental authorisation(s) that you may have for the site. You must continue to comply with these and other relevant legislation. **You must ensure that you have a Environmental Permit, a Paragraph 40 exemption or a Paragraph 41 exemption (where applicable) that allows you to treat WEEE. You must treat the WEEE according to Best Available Treatment, Recovery & Recycling**
